CS 241- Week 3

The screenshot shows a web browser window with the address bar displaying `C:/Users/s_pel/OneDrive/Desktop/uCorp/Aboutus/aboutus.html`. The page content reads: "Welcome to Ucorp Welcome to Ucorp. We are a full digital agency based in the USA. We are experienced professionals in producing Speakers, Sub-woofers, Amplifiers. This page will validate as HTML5."

Below the browser window, the Nu Html Checker website is shown. The page title is "Nu Html Checker". A message states: "This tool is an ongoing experiment in better HTML checking, and its behavior remains subject to change". The section "Showing results for aboutus.html" contains a "Checker Input" box with "Show" options for source, outline, image report, and Options... The "Check by" dropdown is set to "file upload", and a "Choose File" button is present. A "Check" button is also visible.

Below the input box, a "Message Filtering" button is shown. The results section displays a warning:

- Warning** Consider adding a `lang` attribute to the `html` start tag to declare the language of this document.
From line 1, column 16; to line 3, column 6
TYPE `html><html></html>`
For further guidance, consult [Declaring the overall language of a page](#) and [Choosing language tags](#).
If the HTML checker has misidentified the language of this document, please [file an issue report](#) or [send e-mail to report the problem](#).

The Windows taskbar at the bottom shows the time as 6:25 PM on 10/2/2023.
